Sacred Geometry

About the Author: Janosh

Janosh is a Dutch graphic designer who has created computer-generated art incorporating principles of sacred geometry since 2003. He owns Janosh Art and Design, a popular gallery in central Amsterdam, and regularly tours the U.S. and Europe, exhibiting his work in diverse locations, from San Francisco's Supperclub to the United Nations. Janosh is a contributing author to the book *The Mystery of 2012* (Sounds True, 2007).
