**80-page journal**

**ISBN 13-978-59179-564-3**  
**U.S. \$29.95**

## Sacred Geometry ABUNDANCE

Everything we need in our lives is here on Earth and has been created for us in abundance. Most of us are afraid to accept this. Fear, prejudice, and lack of confidence keep us from seeing and experiencing this. The energy of Abundance helps you recognize that you already have everything you need to fulfill your dreams and live your life with passion, no matter how ambitious you are.
