Remote Viewing

About the Author: David Morehouse, Ph.D.

David Morehouse, Ph.D. is an internationally renowned teacher, author, Nobel Peace Prize nominee, and former “psychic spy” for the CIA, who has personally instructed thousands of students around the world in the scientific technique of Remote Viewing. After 18 years of duty, Dr. Morehouse resigned his officer’s commission to teach Remote Viewing as a tool of peace for personal and spiritual growth. Praise for David Morehouse, Ph.D.

“David has shown us how a tool made for war can become a path of spiritual transformation. He has shown the courage to walk in the way of peace.”—**Don Miguel Ruiz, Author of *The Four Agreements***

“Through his pioneering work with Remote Viewing, David Morehouse is mapping the future of consciousness in the west, a merging of scientific rigor and spiritual possibility that anyone can access.”—**Deepak Chopra, Author of *How to Know God***

“There’s a power that very few people know how to harness—David Morehouse knows the way. He can teach it to anyone with the will and desire to learn.”—**Anthony Robbins, Author of *Awaken the Giant Within* and *Unlimited Power***

“Remote Viewing is real, David is real, and you should let both be a new beginning for you. Let your soul open up as broad as the night sky of the universe; and let it strengthen you. Trust what you hear from David Morehouse because he is living his life to transform this planet.”—**Dannion Brinkley, Author of *Saved by the Light***
